Steps for Snapshot 1: *On the course website.* Please go to the course website mth101.com.

a. Go to mth101.com and download the word document "Snapshot 1" found on the table on the home page. Save on your laptop as "LASTNAME_FIRSTNAME_SEC#_Snap1"

b. EITHER open this file in Microsoft Word OR open this file in Google Sheets (http://googleapps.msu.edu/) To open in Google Sheets, sign in using your MSU netID and password then click "GoogleDrive with Docs", "NEW", "file upload" and upload the "LASTNAME_FIRSTNAME_SEC#_Snap1". For example, my file name would be "LUND_RACHAEL_006_Snap1". Then double click on this in your drive to open in google docs.

c. Answer the questions found in this word document.

d. Log into your D2L account and upload this pdf to the "Snapshot 1" assignment.
